

Updated message from CenturyLink: Please see the list that contains new addresses that will be available sometime in January 2021. If you have questions, call or email CenturyLink.

We are now able to offer Fiber Internet to 304 addresses and will deploy an additional 282 addresses in January 2021. The remaining addresses will deploy either in February or later in 2021.

As we ready your area, we will update the Nessel Township website www.nesseltownship.com as well as mailing notifications and information on how to make a reservation for a technician to come out and install your new, higher speed fiber internet service.

If you are a current CenturyLink customer and want to upgrade your service to our Fiber Gigabit, please call **1-800-469-1337** and talk to one of our representatives.

If you are a new CenturyLink customer, once your address is ready for service, you can also place an order through www.centurylink.com/twincitiesfiber . If you do not see the Fiber Gigabit offer on this website, please call 1-800-469-1337 and place a reservation to be contacted when Fiber Internet is available.

We look forward to serving the residents of Nessel Township with High-speed CenturyLink Fiber internet.

If you experience any issues with this process, please contact us with details and we will investigate and respond quickly to your inquiry.
